### **NEW TRAFFIC RULES** IN EFFECT MONDAY

The new traffic regulations promulgated by the District Commissioners several weeks ago, will be put into effect Monday. The police department has been thoroughly in-structed as to the new regulations, and will be prepared to take into custody all who do not comply with them after midnight Sunday.

The principal change is that of the right of way at street crossings. In ORANGES-Fla., med. (176 and place of the old "North and South" regulation the "Rule of the Sea" will govern. In other words, the man on your right has the right of way. This rule has been in effect in Baltimore

POLITICAL LEAGUE

Your Spring Suit

The formation of a political league in connection with the Maryland and District State Federation of Labor was completed before the adjournment of the labor convention at Lona-

coning, Md., yesterday.

John H. Ferguson, of Baltimore, retiring president of the State federaion, was chosen president of the political league, and Henry F. Borening, of Baltimore, secretary... The executive committee of the

league is composed of Harry Irvin, Cumberland, Md.; D. W. Tasker, Kitzmiller, Garret county; Joseph W. Toone, Montgomery county; Newton S. James, Prince George's county, and Burd W. Payne, of Washington county.

The object of the league was stated by William J. Trickett, United Mine Workers of America, who declared that the league purposed to determine the attitude of different candidates regarding the passage of legislation favorable to the interests of the pubic in general "and not the few." Mr. Ferguson, who retires from the

presidency of the State Federation after eight years of service in favor of Francis J. Drum, was presented with a diamond-studded watch charm locket. Hagerstown was selected as the
